# RADIANT KITCHEN

DESIGN STYLE: CASUAL

What once was a dull kitchen became a space that glows. By using the window as a focal point, installing lights, new white cabinets and creating a multi-purpose island, we opened things up to create a radiant, open area.

# INVITING KITCHEN

DESIGN STYLE: CLASSIC

Dullness was remedied by installing a functional kitchen table/island, and a new window for added space & light.

# CHIC STORAGE KITCHEN

DESIGN STYLE: CLASSIC

A cluttered mess was turned into a shining example of organization perfection. Ceiling high cabinets added much-needed storage space, while white paint and updated lighting brightened things up. This new lightness was contrasted with glossy grays for extra sleek chicness.

# SLEEK COMFORT BATHROOM

DESIGN STYLE: CONTEMPORARY

Comfort and cleanliness was maximized by installing a new walk in shower with bench, towel warmer, easy to clean wall mounted vanity, and a luxurious standing soaker tub. Gray walls and metallic accents added sophistication.

# ACCESSIBILITY BATHROOM

DESIGN STYLE: CLASSIC

Disabilities are accommodated by a wall mounted toilet, safety grab bars, and a wheelchair accessible sink with minimalistic design.

# FULLY LOADED ADDITION

DESIGN STYLE: CLASSIC

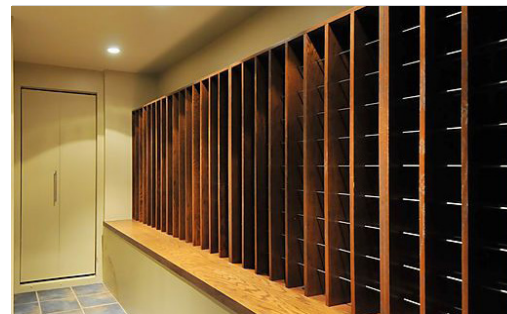

This addition provides ultimate functionality and style, with a vaulted ceiling, transom window, upgraded doors to en suite and closet, and a bright bathroom with water closet. Natural textures are present in the hardwood floors and stairs.

# FASHIONISTA'S ADDITION

DESIGN STYLE: CONTEMPORARY

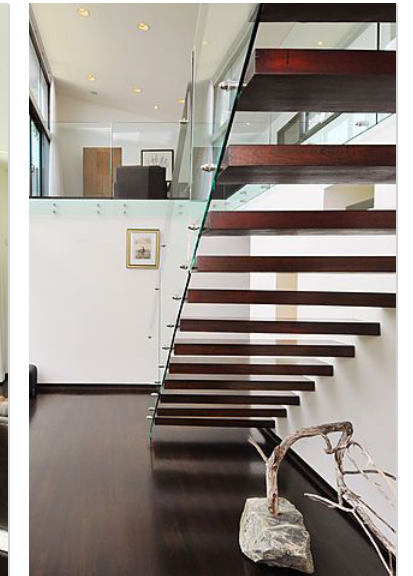

A walk-around, open concept closet displays garments, while the gas fireplace and glass shower with skylight. add luxury.

# MOD ADDITION

DESIGN STYLE: CONTEMPORARY

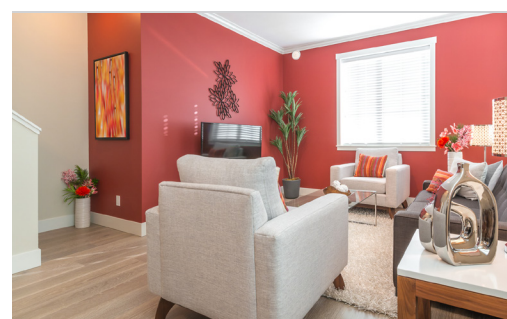

High ceilings & windows bring the outdoors in, while floating stairs with glass railings and sleek hardwood floors add fashionability.

# URBANITE'S ADDITION

DESIGN STYLE: CASUAL

We made space in a city dwelling by expanding vertically with an additional bedroom and family room featuring vibrant style.

# MODERN COOL LIVING SPACE

DESIGN STYLE: CONTEMPORARY

A new condo with basic finishes was given a modern fireplace and barn doors with glass to save floor space while adding light. Grey tones paired with bright accents and a darker hardwood floor add sleek style.

# NEW RETRO LIVING SPACE

DESIGN STYLE: CASUAL

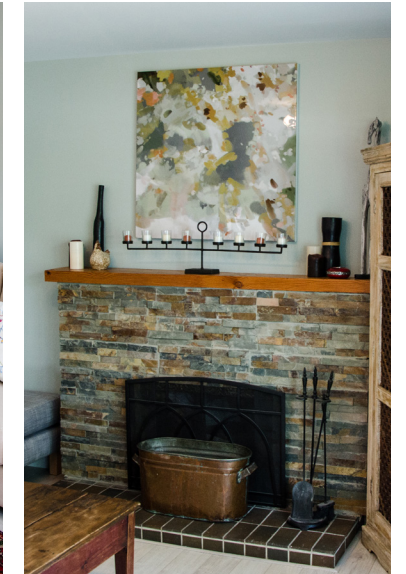

A small, older condo was taken into the new age with a flow-inducing storage system and modern retro furniture.

# WELCOMING LIVING SPACE

DESIGN STYLE: CLASSIC

Better flow into the dining room and extra coziness was created with French doors, an extra side window, and a fireplace.

# CLASSY LIVING SPACE

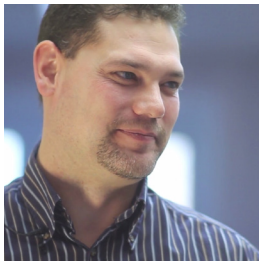

DESIGN STYLE: CLASSIC

Gold toned walls line a walk-out recreation room with French doors and a custom bar for entertaining.

## WE HOLD OURSELVES TO THE HIGHEST STANDARDS.

When we renovate homes, it's about more than just the finished product. It's about the families we work with, the spaces we transform, and the relationships that we build. Our work is your home, and as a result, we hold ourselves to the highest standards. We can't walk away from any project until we know that you're fully satisfied.

## WHAT OTTAWA HAS TO SAY ABOUT US

” OGC came out very promptly and explained to me exactly what was going on. I always felt part of the process - the quality of work is just marvelous.  
- *Barbara, Home Renovation*

” The cost was less than half compared to what the other contractors were charging me. I've recommended my friends since then and they are really pleased.  
- *Gord, Home Repair*

” The other company we dealt with had extra charges and it was like I was signing a blank check - they delivered what they said they would within our budget. They went well beyond what I expected in many ways.  
- *Richard, Home Addition*

” We were pleased to find that OGC offered pretty much what we were looking for, including providing all the city building and electrical permits. They provided us with the information we needed and patiently answered our many questions.  
- *John & Karen, Kitchen Renovation*
